Someone once said: “The church is a school of love...” We, at Pine Grove UMC, are a community that is constantly learning to love as Jesus loved and grow in the knowledge and experience of that love. We are family, learning to truly love and become actively sensitive to and involved in the needs of one another and the world around us. Sometimes we are teachers, at all times we are students. We don’t always get it right, but we are always working on love. We are always family. If you are looking for a place you can call home... our hearts, our doors, our minds, and our arms are open wide to welcome you.
