The power of Pentecost

Pentecost started as a Jewish festival commemorating God's giving the Law to the Israelites 50 days after they escaped from slavery in Egypt.

Just days after the risen Jesus ascended to heaven, his (Jewish) disciples gathered in Jerusalem to celebrate Pentecost. But God transformed the occasion by giving them the Holy Spirit, as he'd promised. The disciples saw something like flames among and on them, heard a rushing wind and began speaking in many languages. The pilgrims in Jerusalem heard about Jesus in their native tongues (see Acts 2:1-12).

In Christian churches, Pentecost was once as important as Christmas and Easter. Today, congregations still observe it in special ways, using the color red to symbolize the Holy Spirit's power. Worship services sometimes include hymns, prayers and Scriptures in various tongues. To simulate the original Pentecost experience, congregations may say the Lord's Prayer in several languages at once.

Greetings from your Weekday School!

♪ “Summertime...and the livin’ is easy...” ♪ The official beginning of summer comes later on this month but, for us here at the Weekday School, it begins with the ending of the school year. Our last day of school for 2010/2011 was Friday, May 27th. Lori and I are already hard at work in the office preparing for our upcoming “Summer Fun” classes and the beginning of the 2011/2012 school year. It will be here before we know it!

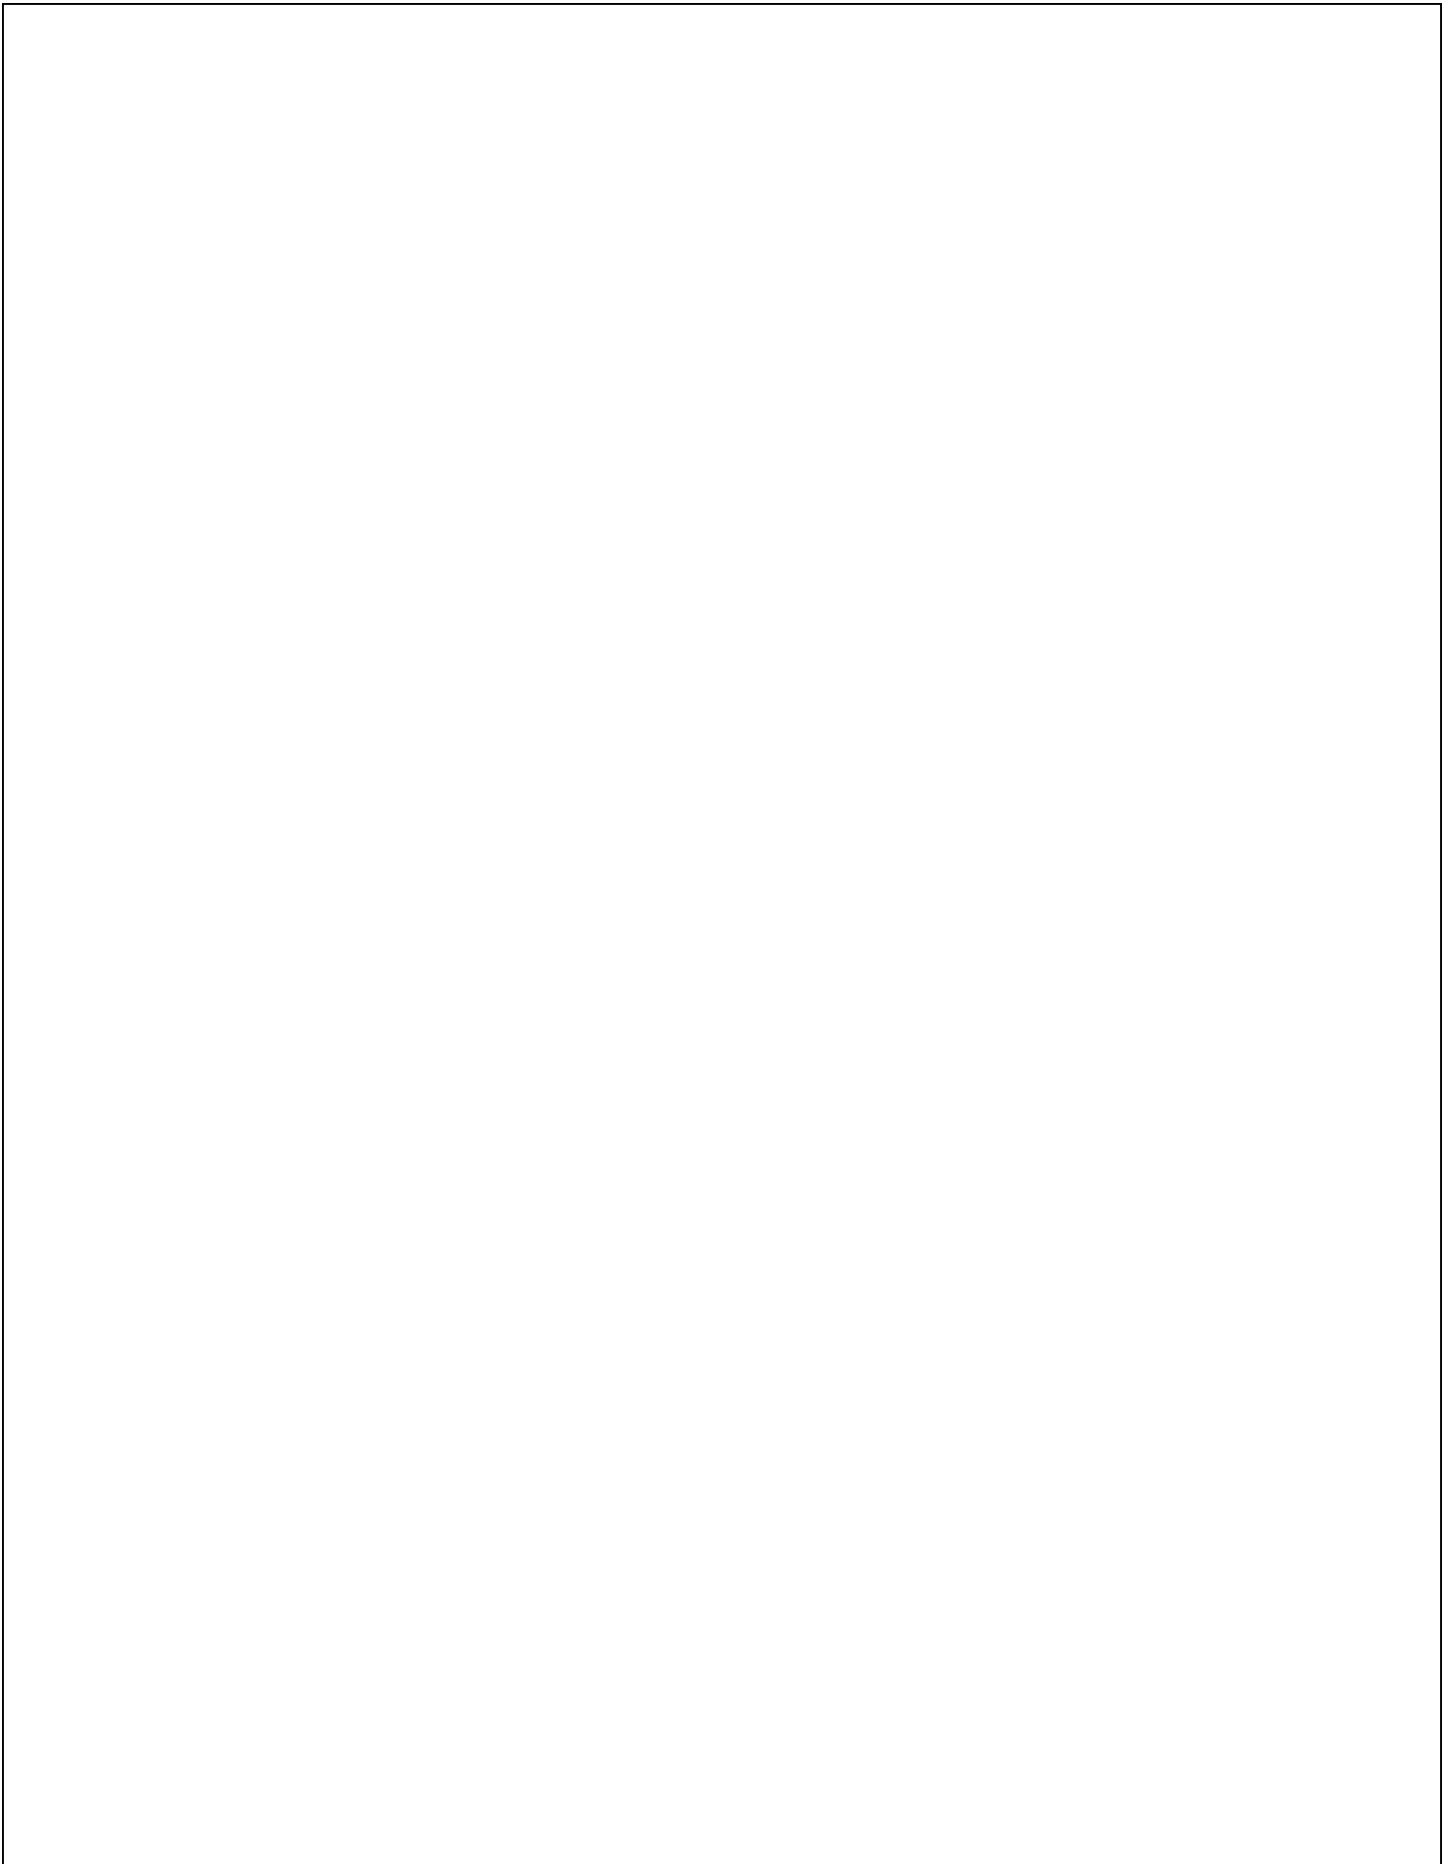

The month of May was filled with lots of excitement as we prepared for all the fun activities that took place. The boys and girls visited “Katie’s Chapel for the last time this year on the 4th. Many thanks to Carol Evans for sharing her time and wonderful stories with them! “Miss” Katie has done a wonderful job this year of coordinating readers and selecting books for us to enjoy. Thank you, Katie, for helping to make “Katie’s Chapel” such a wonderful experience for the children. We look forward to our visits next year! “Family Fun Day” on the 13th was a blast! Unfortunately, Mother Nature didn’t cooperate this year with the weather so the Fellowship Hall came in very handy!☺ The boys and girls (accompanied by their parents) had a great time bouncing on the huge inflatable Castle Bouncer and Slide, creating beautiful Spin Art, winning prizes at the games, and enjoying delicious snow cones. We also enjoyed a fantastic “carry-in” lunch that was provided by our parents and staff. Sunday, May 22nd was another treat as the children presented our annual Spring Program for their families and the PGUMC congregation. The boys and girls were precious as they shared some of the inspirational songs they had learned in Musicare this year. It was our way of thanking the congregation for sharing your wonderful facility with us throughout the year. Our final week of school was filled with lots of fun activities. The 4s and Rs traveled to “All-A-Flutter” Butterfly Farm in High Point on the 25th. They had a great time learning about the life cycle of a butterfly, visiting the Flight House and enjoying the special “picnic” snack the teachers had prepared for them. Our “End-of-Year/Graduation Celebration” was held on the 26th. The children and their families enjoyed a fantastic “pot luck” meal followed by the “graduation” of our 4s & Rs to BIG SCHOOL. We also enjoyed a wonderful DVD presentation of some of the special moments we shared with the children this year. It’s always so much fun to look back at how much the boys and girls have grown and changed over the year. The last day of school was filled with year-end classroom parties with gifts and special treats for everyone. What a wonderful week we had to round out our wonderful year!

“Summer Fun” classes will begin on June 7th and will be held on Tuesdays, Wednesdays & Thursdays periodically throughout the summer. We have lots of wonderful activities planned for the children so, if you know anyone who might be interested, be sure to send them our way. We still have space available in most of the weeks. “Summer Fun” is open to children ages 6 months – 1st grade.

Don’t forget to keep saving those General Mills “Box Tops for Education” labels for us this summer! They are worth 10¢ each and quickly add up to \$\$\$\$. Remember...your “trash” is our “treasure”!☺ (Many thanks to Kathleen Sprinkle who has brought in a steady supply of labels throughout the year. We really appreciate you thinking of us, Kathleen!)

Our first day of school for the 2010/2011 school year is Tuesday, September 6th. Be sure to keep our important ministry in your prayers this summer. See you in the Fall, y’all!☺

Chris

SMALL GROUP INFORMATION

The facilitators for the small groups completed surveys related to their groups and met together on May 15. The activities were many and varied, but all met the group objectives of connecting to God, connecting to fellow group members, connecting to the church and connecting to the community. The fellowship within the groups is special and has broadened old friendships and created new ones. Emphasis was placed on each group visiting and supporting our nursing home and shut-in members all of whom are assigned to groups. Efforts to contact inactive members and to include visitors and new members when they join the church was stressed.

If there are members who have not attended a group, those who have would urge you to do so. If anyone would prefer another group for any reason, just contact a facilitator or the church to find the date of that group's next meeting. Everyone is needed.
